

ACADEMIC COOPERATION AGREEMENT
BETWEEN
FACULTY OF MEDICINE HASANUDDIN UNIVERSITY
AND
SAPPORO HEART CENTER JAPAN

Faculty of Medicine Hasanuddin University Indonesia and Sapporo Heart Center Japan, conclude the AGREEMENT with the objective of promoting cooperation and academic exchange as follows:

1. Each party will make an effort to develop cooperation in the following activities.
 - Exchange of faculty, staff and research staff
 - Exchange of students
 - Conducting collaborative research project
 - Conducting lectures and organizing symposia
 - Exchange of academic information and materials
 - Promoting other academic cooperation as mutually agreed
2. The development and implementation of specific activities based on this agreement will be separately negotiated and agreed between the parties, schools or institutes, which carry out the specific projects.
3. Both parties agree not to disclose confidential information to third parties with the laws and regulations of the respective countries.
4. Should any collaborative research activities under this agreement result in any potential for intellectual property, both parties shall seek an equitable and fair understanding as to ownership and other property interests that may arise.
5. In the event of any unforeseen incident during collaborative activities in either country, both parties agree to negotiate a mutually acceptable solution.
